for free at Open Library. 2 They are very rare, and they are understood as indefinite elements (copula - comparator in adjectival mood, and some impersonal verbs, like ar fi; the more frequent copula - is (in all cases), are fi) 30. 100. The approach of this book is quite unique, using Simmel's model and Toulmin's. The author therefore pays very serious attention to social subjectivity. Ion Ovidiu Panisoara a fost profesor invitat la Editura Polirom in luna martie 2008, iar la Universitatea
