

The screenshot shows the Process Explorer window from Sysinternals. The title bar reads "Process Explorer - Sysinternals: www.sysinternals.com [GEMAL-LAPTOP\Henrik Gema]". The interface includes a menu bar (File, Options, View, Process, Find, Users, Help) and a toolbar. The main area is a table of running processes. The status bar at the bottom indicates "CPU Usage: 12.88%", "Commit Charge: 18.30%", and "Processes: 59".
